PAYOUTS

1. At any point during a tournament after the completion of the buy-in period, the remaining players may agree to distribute the prize money differently than the posted payout schedule.
 - a. Any agreement reached must be unanimous and will be indicated by each player pushing a stack of his or her chips forward.
 - b. Poker Room Management will notify the Division any time players choose to distribute the prize money in any way other than as specified in the tournament rules.
 - c. Player of the month points:
 - i. If there is a chop of the prize money, the posted prize money for each position will be used to determine the player of the month points, not the actual cash received from the chop.
 - ii. Each position will be determined by chip count
 - iii. If there is a tie in chip count the players that are tied will split the total points of the tied positions.
2. 100% of the prize money will be returned to the players and will be administered and paid by the Poker Room Management
3. Other prizes including but not limited to trophies or plaques and promotional items may be awarded in addition to the prize money
